Corner House Behavioral Health is thrilled to announce Dave Errickson, LCSW, LCADC, CCS has been appointed by Mayor Freda and the Municipal Council as the new Executive Director of Corner House Behavioral Health. Errickson's appointment follows the retirement of Gary DeBlasio after 21 years as Executive Director.

Dave comes to this role with a wealth of experience in the field, at Corner House, and within the Princeton community, having joined Corner House over 25 years ago as a clinician. For the last 18 years, Dave has served as the Director of Clinical Operations for Corner House.

Errickson has long been lauded for his work as an expert in his field. He has advocated for the training of clinicians in proven therapeutic techniques to better help Corner House clients, including expanding services through the addition of a bilingual Spanish-English clinician.

Under Errickson's leadership Corner House will continue to provide proven, cutting-edge, and inclusive substance abuse treatment services to the Princeton community.
